**LADIES NIGHT**  
THE MOST SOPHISTICATED women of the Hamptons were celebrated at Samantha York's third annual Ladies Night, toasting the subjects of *Hamptons* magazine's Real Beauties feature. Guests, including Gigi Stone Woods, Yasmin Riaz, Stephanie March, Alina Cho, and Hoda Kotb, gathered at the home of Kris Fuchs—one of the feature's leading ladies—to sip La Marca Prosecco, mingle among the custom floral arrangements by B Floral, and take in the stunning sunset views. La Perla provided guests with a fabulous fragrance gift, while attendees also left with an iconic gift bag filled with items from 525 America, Moroccan, Jennifer Miller, J.Jill, Hamptons Salt, and more.
