The ultimate New York food lovers' gift guide

By Melissa Kravitz

What's the point of giving a gift if it's not even edible?

Or food-inspired, at least.

Share the love of food and drink with our list of essential gifts for food lovers.

Hamptons Salt Collection

While a trip to the beach may have to wait a few months, artisanal sea salt is always in season. Cooking salt, finishing salt and garlic salt make up this gift set, easily enjoyed by any cook or someone who wants to add a bit of flavor to a sad desk salad. \$45, hamptonsalt.com
