## How to wine & dine your way through Halloween

By Arienne Thompson

If you're over the age of 10, stuffing your face with all the candy you can fit in a burlap sack may no longer be your idea of a good time. Just a guess.

But that doesn't mean you have to abandon your palate on Halloween night. We've got 7 adult-friendly spirits-and-snack pairings that will have you saying, "Kit Kat who?" this weekend.

Trust us.

### Bourbon cocktail + ghost pepper salt
