Southampton-based Hampton's Salt Company sells dozens of artisanal salts sourced from around the world. For everyday use, the 14-ounce jar of Cooking Salt (\$9.99) is a blend of Atlantic and Pacific Ocean flakes. If you'd like your salt to heat foods up, there's Ghost Pepper Salt (1 ounce, \$21.99) made with sea salt and the Naga Jolokai (aka Ghost) pepper, one of the world's hottest.
