By Tony Bowles

Hamptons Salt Company and its array of all-natural salts sourced from around the world are building a store presence on shelves across the country ready for the holiday 2015 season.

For the first time this fall, Hamptons Salt will be available at the Macy's flagship on 34th Street in Herald Square, where they will be featured as part of the SHOP store by Aesthetic Movement located in its homewares department. The shop is selling its top raw salt varieties- Himalayan Pink, Kosher Flake, Sel Gris, Hawaiian Black and Pure Atlantic flavors (\$9.99-\$21.99).

Additionally, for the first time it is available in New York's premium artisanal marketplace Chelsea Market at the Manhattan Food Exchange.
